

Tree of Life

The Tree of Life program gives you an opportunity to remember those who have touched your life in a special way with a living memorial.

Once we receive your order form and gift, an acknowledgment card will be sent to designees or their families. When donations are received, they are put into the Tree of Life fund until the time when trees can be planted (spring or fall). The minimum donation is \$10. You have the option to sponsor an individual tree for \$500. The tree will be planted in a designated sponsor grove. For \$500, made payable to Friends of Medina County Parks, Inc., a sponsor may choose to have an oak, maple, or evergreen tree planted in the grove of his/her choice. The specific variety of oak, maple, or evergreen will be determined by staff based on location, soil conditions, and other factors. Trees will not be identified by plaques, signs, GPS coordinates, or other means.
